KERALA STATE ELECTRICITY REGULATORY COMMISSION

NOTIFICATION

No.2158/CT/2010/KSERC Dated, Thiruvananthapuram 21.12.2010

In exercise of powers conferred under Section 181 read with sub-section (3) of Section 10 of the Electricity Act, 2003 (36 of 2003) and of all other powers enabling it in this behalf, and after previous publication, the Kerala State Electricity Regulatory Commission hereby makes the following regulations, namely: -

1. Short Title and Commencement

(1) These regulations may be called the Kerala State Electricity Regulatory Commission (Furnishing of Technical Details by the Generating Companies) Regulations, 2010.

(2) These regulations shall come into force from the date of their publication in the Official Gazette.

***2. Submission of information*:** Every generating company which, on the date of commencement of these regulations is operating or setting up a generating station referred to in clause (a) or clause (b) of sub-section (1) of Section 86 of the Electricity Act, 2003 (36 of 2003) shall furnish to the Commission, up-to-date details prescribed in the Forms A,B and C appended to these regulations, as applicable to the type of the generating station, separately for each stage of the generating station owned by it, indicating the status as on 1st April of the year, by 30th April of every year along with soft copy of the such details.

Provided that in case of a generating company proposing to set up a generating station after commencement of these regulations, the first report with the specified details shall be submitted at least three years before the projected date of commercial operation of the first unit of the generating station, proposed to be set up by it.
